Programme and Guide to Exhibitors

GETTING THE BEST OUT OF THE CAREERS FAIR

- **Come prepared with questions.**
- **Why does this job interest me?**
- **What job opportunities are there at – 16+, 18+, 21+?**
- **What qualifications/skills would I need?**
- **What does the job involve?**
- **Where would I work?**
- **What training qualifications would you gain?**
- **What is the length of course/training?**
- **What qualifications will I get at the end of training?**
- **What are my employment prospects with the qualifications you gain?**
- **What courses/training are particularly attractive to employers?**
- **What promotion routes and prospects are there?**
- **Assuming academic success – what else would you look for in a candidate?**
- **Are there any age, health, fitness requirements?**
- **Will I need some sort of work experience?**
- **Don't exclude anything – widen your horizons and consider different occupations and courses.**
- **Talk to people who do the jobs.**
- **Don't expect advisers to assess your suitability.**
- **Find out as much as you can.**
