February 2018

Dear Parent/Carer

**Re: Year 9 Maths end of term activity**

The Maths and Welsh baccalaureate departments have planned to take the students in Year 8 to the Celtic Manor to participate in a range of maths and team building activities. These activities comprise of laser combat, low ropes, archery, adventure golf and team building activities.

**Tuesday 17<sup>th</sup> July 2018 - Year 8 Forms G1, G2, P1, P2**  
**Wednesday 18<sup>th</sup> July 2018 - Year 8 Forms D1, D2, M1, M2**

In order to make this trip viable we need to ask for a contribution of **£32.00** which includes coach hire and all activities. The normal cost of the activities alone would be in excess of £60.00.

We will be leaving school at **9.00 am** and returning at **3.00pm** in time for the normal school buses home.

Students should wear sensible clothing and trainers and bring a bottle of water and a packed lunch (*clearly marked with their name*) with them on the day.

If you wish your son/daughter to participate in this visit, you must sign the attached parental consent form and return it to **Mrs R Meredith**, Maths Department along with your cash or a cheque (made payable to *Caerleon Comprehensive School and trip reference T845 written on the reverse*). Students who do not wish to participate will be participating in a range of classroom based maths activities.

You have the opportunity to either pay the full amount by Wednesday 28<sup>th</sup> February **or** to pay a £12 deposit by Wednesday 28<sup>th</sup> February and then £10 by Friday 30<sup>th</sup> March and the final £10 by Monday 30<sup>th</sup> April. I do require the parental consent form with an indication of how you wish to pay by the end of February, so that I can pay a deposit and confirm numbers with the Celtic Manor

**All monies should be handed directly to Mrs Meredith in the maths department.**

May I assure parents that the school minibuses/coach companies we utilise have modern fully equipped vehicles and meet all statutory requirements.

Yours faithfully
